YAPHANK HISTORICAL SOCIETY NEWSLETTER

Historic Yaphank - Where the Past Greet's the Present

JULY – AUGUST, 2018

Historic House Tours -- Summer Season

Our Historic House Tours begin this month. All three of our restored historic houses, the Hawkins House, the Booth House Museum and the Swezey-Avey House, will be open Sunday afternoons in July (starting July 8th) and August from 1:00—4:00pm. Several new exhibits will be on display. We are happy to announce that St. Andrews Church will also be open to visitors on the four following Sunday afternoons ---July 15, July 29, August 12, and August 26.

St. Andrews Episcopal Church, circa 1853, also called “Little Susy’s Church”, was built to honor James Huggins Weeks’ granddaughter who died in 1850 at the age of 23 months. This church is an integral part of Yaphank history and part of the Weeks family legacy in our Yaphank history.

The circa 1850 **Hawkins House**, listed on the National Register, is a well-furnished Victorian home. In addition to touring the house, our kitchen display will be *Old Fashioned Kitchen Activity*, and samples of *Victorian Needlework* will be in one of the downstairs parlors. A collection of *Beatrix Potter Figurines* will be on display in the upstairs exhibit room along with information about Beatrix Potter, a famous early 20th century children’s author.

The circa 1829 **Booth House Museum**, also listed on the National Register of Historic Places, is the birthplace of Mary Louise Booth and features information about her interesting life and artifacts and documentation illustrating her lifestyle. Among the artifacts on display is a letter to Ms. Booth signed by President Abraham Lincoln, thanking her for her translation services.

At the circa 1843 **Swezey-Avey House**, a Brookhaven Town Historic Landmark, two special exhibits will be on display----*The Weeks Legacy: A Yaphank Story* is in the upstairs exhibit rooms and *Early School Days in Yaphank* will be on display in the front downstairs dining room. Several other rooms have permanent displays and are part of the house tour.

Letter from the President

For those of you who have not been to the Swezey House Park, you should come visit. The park has been transformed. There is a beautiful handicap-accessible boardwalk from the Swezey House to the spillway along the Lake front. The plantings are in and the sod has been put down. The Town still needs to finish the sun shade and build the bridge over the spillway. They are also going to put more native plants around the fish ladder and the spillway area. Even though it is not complete, the portion that is done is still a beautiful walk. The entire park is full of life. There are mothers with strollers and kids running around. There are fishermen walking to the front of the lake and people carrying their kayaks to the lake to enjoy a day on the water. There is something to do for everyone.

The mini libraries located at the entrance are always being used. There is a children's library and an adult library and they are stocked and maintained by the Friends of the Library; our thanks to them for their generous support.

Longwood School is once again doing their summer program with the kids. Once a week they bring the kids to the Swezey Park and they enjoy a day of fun in the park and in the water. The school has purchased 20 kayaks and 20 paddle boards as well as fishing poles for the kids. Some of the kids have never been in the water before and it is fun just watching them.

In the meantime, we are very busy at the other end of town working on the Homan-Gerard house. The house restoration is nearing completion. We are putting the finishing touches on some trim work, the floors are being sanded in preparation for staining. There are still some doors and shutters to be made and hung and the stair rails are going to be installed in two weeks.

The grading of the property will be done by volunteers. Painting will also be done by volunteers. Painting should be starting by the end of July. **Anyone who wishes to volunteer for the painting, please do not hesitate to call us.**

Please don't forget our summer tours that start July 8th and every Sunday in July and August from 1pm-4pm. All of our houses will be open and we will have docents in each house. The tours are free of charge.

Weeks Legacy Tea Update

The happy people pictured below are descendants of the Weeks family, prominent members of our early Yaphank community. They and members of their families were guests of the Society on June 24th at the Weeks Legacy Tea. We had a full day of activities planned for our “Weeks guests” that included a tour of St. Andrews Church, the same 1853 church that was built by James Huggins Weeks in memory and honor of his granddaughter that died in infancy. A special guest of honor was Fr. Richard Chapin, long-time chaplain and spiritual leader of St. Andrews Church until his retirement in 1995. Fr. Chapin is known and loved by many Yaphank residents and it was wonderful to see him.

The complete Weeks group numbered close to 35 people and they were joined by 45 additional Society members and guests from our surrounding communities for tea and a Weeks history program presented by Karen Mouzakes, Historian Emeritus. Many of the Weeks descendants had not seen each other for many years and this occasion served as a “family reunion” for them. Lots of time was spent catching up and then sharing memories. All tea guests enjoyed spending time in our Weeks Exhibit rooms, curated by Trish Foley, Historian. And everyone especially appreciated seeing the restored portrait of Miriam Weeks (James H. Weeks’ mother) painted by Wm. Sidney Mount. All in all, the Weeks Legacy Tea was a very successful event. As a result, close to \$1600 was donated to the St. Andrews Church Restoration Fund.

Thanks to all our Board Members and Society members who helped to make this event so successful.
